Apply Now for the EUPeace Doctoral Mobility Grant!

Are you a doctoral candidate looking for an international academic opportunity? The EUPeace Doctoral Mobility Grant is your chance to expand your academic experience in a dynamic and collaborative environment. This grant, offered by EUPeace, provides funding for doctoral candidates to complete an academic stay at another EUPeace university,

and the mobilities are intended to advance joint and innovative forms of cooperation, explicitly considering the integration of academic findings into teaching activities within the Alliance.

- ♦ The application deadline is on 30 April 2025. [Apply now!](#)

EUPeace European Track: Shaping Future Leaders for a Peaceful and Inclusive Europe

EUPeace is responding to Europe's many current challenges by launching the European Track—a new programme starting in 2025/2026. It is open to students from EUPeace universities and combines online and in-person learning across various subjects. Students can earn up to three certificates (6 leading up to 18 ECTS in total), equipping them to become the next generation of leaders committed to building a more peaceful, fair, and inclusive Europe.

EUPeace WP3 Joins Forces with German Initiatives to Transform Teacher Education

In 2025, EUPeace WP3 will strengthen collaboration with two German initiatives: UMR's LiMa and JLU's IMPACCT, both part of the DAAD's *Lehramt.International* programme. Funded by the German Federal Ministry of Education and

Research, this programme supports the internationalisation of teacher education by promoting mobility and developing key skills, such as intercultural competence, to better prepare future teachers for diverse classrooms.

EUPeace is the European University for Peace, Justice, and Inclusive Societies

Our mission is to provide tomorrow's citizens with the skills, knowledge, and experience to cultivate Peace, Justice, and Inclusive Societies. We explicitly address all sciences and fields, from the humanities and social sciences to the natural and life sciences as well as engineering, and are inspired by the rebuilt bridge of Mostar – the symbol in our logo – as a testament to how dialogue can overcome conflict.
